EGBU JOY UJUNWA

Frontend Developer|Digital marketer|Graphics Designer|Writer|Freelancer.

SUMMARY:

I am a creative thinker with a strong ability to come up with new and innovative ideas.

I am a skilled problem solver with a proven track record of finding creative and effective solutions to complex challenges.

I have worked on projects in a variety of industries, which includes marketing, design and many more.

My goal is to become a Software Engineer.

WORK EXPERIENCES:

FRONT END DEVELOPMENT TRAINING/INTERNSHIP.

REWOD TECHNOLOGIES

2022-CURRENT

Rewod Technologies is a Tech institute which helps to train techies in different tech fields. I helped to create a well designed, testable, efficient code by using HTML, CSS, Bootstrap and JavaScript practices.

FRONT END DEVELOPER WEB3 LADIES.

2023

Web3 ladies is a tech company on a mission to help ladies thrive in the web3 space. They held a hackathon in 2023 which I worked as a front end developer to help build the front end design for my team (Zulu Trust).

DISPATCHER. DARCUM NIGERIA LIMITED.

2021-2022

Darcum Nigeria Limited is a Coca-Cola Distributing Company. My Role as a Dispatcher is to set and monitor almost 20 Drivers in the company.

I also take emergency calls, monitor driver logs, keep records, address problems, and dispatch appropriate team members. Then at the end of the day's sales, I help to balance each of the driver's accounts.
